

REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)
5167

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number 5,898,421, granted April 27, 1999, and for which a reissue patent is sought on the invention entitled Gyroscopic Pointer and Method

the specification of which

☒ is attached hereto.

☐ was filed on _____ as reissue application number ____ / _____
and was amended on _____
(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described as follows:

Applicant intended to claim all disclosed embodiments of the invention contained in the application as originally filed, including embodiments of a system operable with an input device comprising an inertial element for translating a displayable object in response to rotation of the input device, but did not adequately communicate his intentions to his attorneys of record in order to attain the scope of claims coverage to which he believes he is entitled.
